

18650 Cell Triangle 36V/ 48V/ 52V/ 60V/ 72V Electric Bike Battery with 13Ah~17.5Ah Capacity

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Certification: CE
- Model Number: Lithium Ion Battery
- Minimum Order Quantity: 10
- Packaging Details: packed in carton
- Delivery Time: 15
- Payment Terms: TT PAYPAL
- Supply Ability: 1000pcs per month

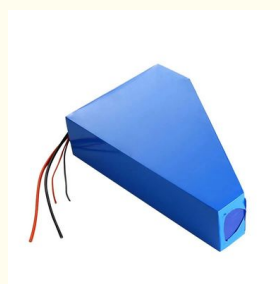

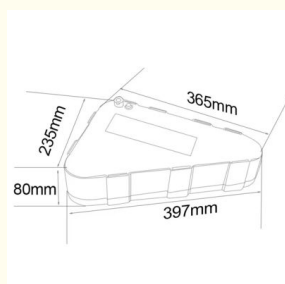

Product Specification

- Battery Type: Brand 18650 Cells
- Capacity: 13Ah 15Ah 16Ah 17Ah 17.5Ah Customized Capacity
- Estimate Weight: Customized
- Discharge Working Temperature: -20~60°C
- Color: Black
- Voltage: 36V/ 48V/ 52V/ 60V/ 72V Optional Voltage
- Size: 367*110*90.5mm/Customized
- Storage Temperature: -10~40°C
- Highlight: **18650 Cell Triangle E Bike Battery, 13Ah~17.5Ah E Bike Battery, 72V Electric Bike Battery**

Product Description

Product Description:

The battery is made using Brand 18650 Cells, which are known for their high energy density, excellent safety, and long cycle life. This LiFePO4 Battery is a perfect choice for those who want to upgrade their electric bike's battery or replace an old one.

The E Bike Battery has a capacity of 50Ah, which means it can provide long-lasting power to your bike. This 18650 Battery is perfect for those who want to go on long rides without worrying about their battery running out of juice.

This battery is designed to operate in a wide range of temperatures. It can function perfectly in temperatures ranging from -10~40°C, making it ideal for use in different weather conditions.

The E Bike Battery is easy to install and comes with all the necessary hardware. It is a reliable and durable battery that will last for a long time. This 18650 Battery is a perfect choice for anyone who wants a high-quality battery for their electric bike at an affordable price.

Features:

Product Name: E Bike Battery

Discharge Working Temperature: -20~60°C

Color: Black

Case: Triangle

Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike

Estimate Weight: Customized

Battery Type: 18650 LiFePO4 Battery

Battery Capacity: 18650 Lithium ion battery

Battery Life: 18650 Lithium ion battery

Multiple Protections

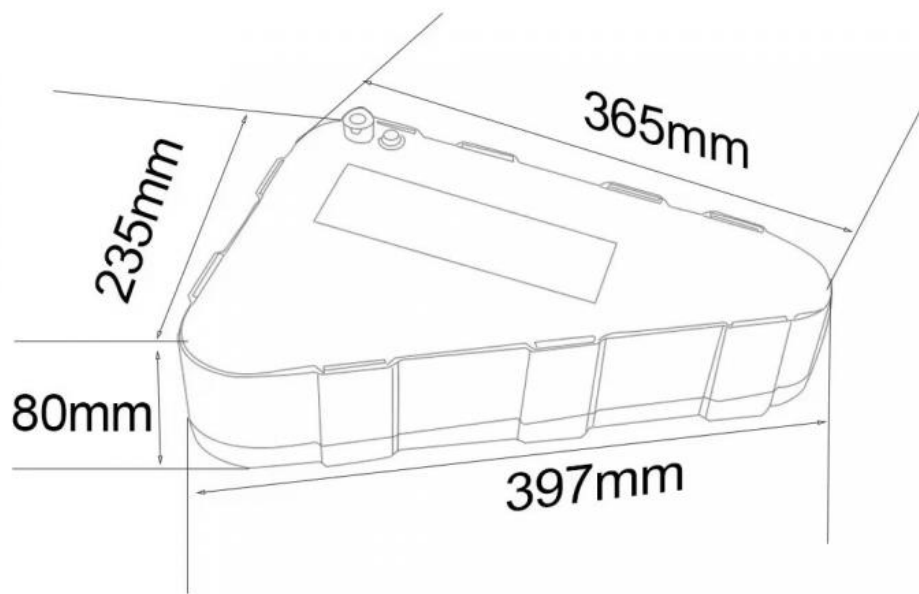

Applications:

The enook Lithium ion Battery has a capacity range of 13Ah, 15Ah, 16Ah, 17Ah, and 17.5Ah which can be customized as per the user's requirement. The battery has a 3.2V 202Ah Lithium ion battery that provides a long-lasting life to the battery and ensures that it runs smoothly for a longer duration. In addition, the battery also has a 3.2V LiFePO4 Battery which provides a stable and consistent power supply.

The enook Lithium ion Battery is packed in a carton for safe transportation and has a minimum order quantity of 10 units. The delivery time for the battery is 15 days and the payment terms are TT PAYPAL. The supply ability of the battery is 1000pcs per month.

The enook Lithium ion Battery is suitable for various applications such as E-bikes, which are becoming increasingly popular for commuting purposes. The battery provides a reliable and efficient power source for the e-bikes, ensuring that the bike runs smoothly and efficiently. The battery is also suitable for electric vehicles, providing a stable and consistent power supply to the vehicle. Additionally, the battery is perfect for solar energy systems, ensuring that the system runs for a longer duration and provides an efficient source of power.

Battery Warranty	1 Years
Rated Voltage(v)	48v, 52v, 60v, 72v
Rated Capacity(ah)	22ah-44.5ah
Voltage/Capacity	Accept Customize
Configuration	13S9P, 13S12P, 13S14P, 14S9P, 14S13P, 16S7P, 16S11P, 20S6P, 20S9P
Battery Cells Type	18600, 21700, XT60
BMS	40A, 50A, 60A, 120A
Size(mm)	355*295*200mm
Battery Weight(kg)	12kg
Cycle Life(time)	500-800 cycles with DOD 80%

Customization:

Brand Name: enook
Model Number: Lithium Ion Battery
Place of Origin: China
Certification: CE
Minimum Order Quantity: 10
Packaging Details: packed in carton
Delivery Time: 15
Payment Terms: TT PAYPAL
Supply Ability: 1000pcs per month
Case: Triangle
Discharge Working Temperature: -20~60°C
Battery Name: Triangle Ebike Battery Pack
Capacity: 13Ah, 15Ah, 16Ah, 17Ah, 17.5Ah (Customized Capacity 3.2V 202Ah Lithium ion battery)
Storage Temperature: -10~40°C

Support and Services:

Our E Bike Battery product comes with comprehensive technical support and services to ensure that your e-bike is always running optimally. Our technical support team is available to provide assistance with any questions or issues you may encounter with your battery. We also offer a range of services to help you maintain and care for your battery, including:

[Battery health checkups](#)

[Battery cleaning and maintenance](#)

[Battery repair and replacement](#)

In addition, we provide detailed product documentation and user manuals to help you understand the features and functionality of your E Bike Battery. If you have any questions or concerns about your battery, please don't hesitate to contact our technical support team for assistance.
