

## LA1000W 1000W Sine Wave Lithium Battery Portable Power Station For Travel

### Our Product Introduction

for more products please visit us on [enookbattery.com](http://enookbattery.com)

#### Basic Information

- Brand Name: enook
- Certification: CE ROHS FCC UN38 .3 MSDS
- Model Number: portable solar power station
- Minimum Order Quantity: 4

#### Product Specification

- Output Wave: 1000W Sine Wave
- Model: LA1000W
- Battery Type: Lithium-ion
- Discharge Temperature: -4-113°F/-20-45°C
- Keywords: Outdoor Portable Emergency Power Station
- Voltage: AC110~220V
- Working Humidity: 10-90%
- Product Name: Portable Power Station
- Highlight: **1000W Sine Wave Lithium Battery ,  
1000W Portable Power Station,  
Lithium Battery Portable Power Station**

## Product Description

### Product Description:

With a powerful and efficient Pure Sine Wave inverter, our Portable Power Station provides clean and stable power to all your devices. It features a fast charging Lifepo4 battery that can be easily charged using an AC Adaptor, Car, or Solar Panel – making it the ultimate all-in-one power source for your outdoor adventures.

The Portable Power Station measures 9.84\*5.51\*6.69in/ 250\*140\*170mm, making it easy to carry and transport wherever you go. It works in a wide range of humid conditions, with a working humidity of 10-90% – ensuring that you have power no matter the weather or environment.

With multiple power source options, you can charge the Portable Power Station in any way that's convenient for you. The AC Adaptor allows you to charge it from any standard wall outlet, while the Car option lets you recharge it while on the go. And if you're out in the wilderness, the Solar Panel option provides you with a sustainable and eco-friendly way to keep your devices charged.

So why wait? Get your hands on our Portable Power Station today and enjoy reliable and efficient power on all your outdoor adventures!

### Features:

Product Name: Portable Power Stations

Model: LA1000W

Keywords: Outdoor Portable Emergency Power Station, high capacity portable solar power station, Outdoor Cabinet Energy Storage,

Outdoor Camping Portable Energy Battery

Output Wave: 1000W Sine Wave

Voltage: AC110~220V

DC Output: USB-C

### Technical Parameters:

Model	LA1000W
Product Name	Portable Power Station
Output Wave	1000W Sine Wave
Inverter Type	Pure Sine Wave
Power Source	AC Adaptor, Solar Panel, Other
Working Humidity	10-90%
Product Size	9.84*5.51*6.69in/ 250*140*170mm
Voltage	AC110~220V
Discharge Temperature	-4-113°F/-20-45°C
Output Description	Outdoor Portable Emergency Power Station, high capacity portable solar power station

### Applications:

One of the most popular applications for this product is as an Outdoor Camping Portable Energy Battery. With its compact size of 9.84\*5.51\*6.69in/ 250\*140\*170mm, it's easy to pack and bring with you on your outdoor adventures. The Type C and RV Port make it easy to charge all of your devices, while the flashlight ensures that you can see in the dark. You can even use the cigar lighter to light a fire or cook food while camping.

This portable power station is also ideal for emergency situations. In the event of a power outage or natural disaster, you can rely on this product to keep your devices charged and your family safe. The AC Adaptor, Solar Panel, and other power sources ensure that you always have a way to charge your device, no matter the circumstances.

The enook Portable Solar Power Station is CE ROHS FCC UN38 .3 MSDS certified, ensuring that it meets the highest safety standards.

The minimum order quantity is only four, making it easy to stock up for your next outdoor adventure or emergency preparedness kit.

Whether you're camping in the mountains or experiencing a power outage in the city, this product is a reliable and essential source of power.
